Pemberley consigns items for 90 days. You will receive an email when your items have been listed. That email will prompt you to mark your calendars with the expiration date noted in the email. You will also receive a link to your online account. There you can see what your items are listed for, when they sell and your balance at all times. Pemberley has moved to LIVE and online sales postings during these next few weeks. Please consider supporting our small business and shopping from our online options. Wishing you well - Leslie Troy

I understand that any items Pemberley is unable to list due to age or condition will be donated and unavailable for pick-up (Must check Box)
